WELCOME TO THE 2015 SPA PRODUCTS CATALOG

The spa industry is full of talented designers and passionate teams. You want more than just another new product. That is why we aren't just building products, we are building total design platforms. CMP wants to offer complete programs that encourage innovation, rethink older systems and improve your entire process.

To continue our support of your creative spa designs, we have created new product categories and expanded on existing programs for 2015. Air X™ is a completely new concept in the hot tub industry (page 15). This high air volume system sets new standards in soft tissue therapy. We also added multiple new product lines to the SQR™ installation system (page 12), further simplifying and improving spa component installation. Existing CMP programs that we have expanded include Spectrum™ jets and Optix™ LED lighting systems.

In 2014, we introduced the new CMP tagline, everything matters®. Our focus is on improving each core area of quality products, customer support and reliable supply. To meet these goals, we have added expert staff to our team in the areas of continual improvement, quality and administration. In the past year, we have more than doubled the size of our award winning customer support team. For our international customers, we have added a brand new distribution center in Europe.

With every improvement and addition at CMP, we are setting you up for success by paying attention to the small things. That's what makes the difference. And when the difference is in the details, everything matters.

INDICATES CMP NEW
FOR 2015 PRODUCTS

BOX AND BAG QUANTITIES

Box Quantities are listed for most items. If a bag quantity is also available, it will be indicated as "box/bag," such as "24/6" where "24" is the box quantity, and "6" is the bag quantity. Currently CMP does not apply a surcharge for broken carton orders. Please help us maintain this policy by ordering in full carton quantities. Thank you for your cooperation.

THANK YOU FOR USING THE 2015 CMP SPA PRODUCT CATALOG

COLOR REFERENCE

The standard CMP numbering scheme for designating the color of plastic products is indicated within the part number as follows:

A B C D E - F G **H** - I J K

The standard colors for spa products are determined by the "H" digit using the guide below.

- 0 = White
- 1 = Medium Gray
- 2 = Stainless Steel
- 4 = Black
- 6 = Light Gray
- 7 = Graphite Gray / Silver
- 9 = Custom / Classic Gray

EXAMPLE: 23500-001-000 (1 = MEDIUM GRAY)

Please always specify the product color by both name and number when placing orders.

NON - STANDARD COLORS

Non-standard colors for spa products are determined by the combination of the "G" and the "H" digits. The "H" digit of "9" indicates Non-Standard, and the "G" digit, specifies color. Non-standard colors can include Tan, Clear, Light Blue, Dark Blue, etc. For details on ordering specific non-standard colors, call or email CS@c-m-p.com

CUSTOM COLORS

Additional colors are available upon request. Custom colors can be provided. Please call for details. A minimum order will be required.

FITTINGS

Unless otherwise specified fitting bodies and other underskirt components are molded in white or gray.

METAL FINISHES

Custom Molded Products uses polished and plated stainless steel in metal finish components. Additional metal finishes are available upon request.

HARNESS THE POWER OF AIRNETICS™

CMP is proud to introduce a completely new soft tissue therapy experience that is designed to draw up to three times the air of a standard jet. Air X infuses the soft feel of air and water with a kinetic power that looks great on the show floor and feels amazing in the backyard spa.

High Volume Dynamics with a Soothing Comfort Experience

Optional Therapy Ring for Tactile Direct Contact Stimulation

Platform-based Design with a Customizable Flange, Face & Therapy Ring

THE INFINITY AIR CONTROL

Wide Range of Flow Adjustment from 0-100%

Precise Air Volume Control

Control More Than Air Flow "On" and "Off"

MORE CHOICES FOR SWIM SPA JETS & WHIRLPOOL JETS.

MORE WAYS YOU CAN DESIGN HIGH FLOW HOT TUB THERAPY.

- A NEW 3-1/4 LED WHIRLPOOL JET**
A brand new LED Whirlpool jets that offers multiple uses and attractive accent lighting.
- B UPDATED SWIM-POWER TURBO JET**
The popular and versatile swim jet, now available ready for LED lighting. Perfect for late night swim spa use or even lighting a hot tub footwell.
- C ADVANCED WHIRLPOOL DIVERTER JET**
The first whirlpool diverter jet with a 360° rotating body. Simplify plumbing and improve performance with this whirlpool jet that is more reliable and easier to maintain.

SPECTRUM PRIME

SMOOTHER THAN SMOOTH

A completely new application of the Spectrum System. With no custom insert, Spectrum Prime Jets become a bold statement in subtlety and style.

ELEGANT, CLASSIC STYLING

HIGH-POLISH STAINLESS STEEL FINISH

CUSTOM SPECTRUM FEATURE OPTIONS

DECORATIVE RING OPTION ON ROTO AND DIRECTIONAL NOZZLES

All of the components underneath remain the same, so Prime jets still allow for a custom color nozzle ring, eyeball and flange. And like all other Spectrum jets they work as a part of the Pro-Loc jet system, the most reliable and effective body style for spa jets.

PRIME 3" SPECIAL EDITION

Prime 3" Special Edition jets are unique three inch spa jets designed to fit in a 200 Series 2" jet body. These brand new jets are available exclusively in the Spectrum Prime design. Prime Special Edition jets are a great option to expand your jet design program in a new and cost-effective way.

THREE POPULAR NOZZLE STYLES

EXPANDED JET OPTIONS WITH LOWER COST

CUSTOM-COLOR OPTION JET FACE INSERT

CUSTOMIZABLE NOZZLE RING

NEW FOR 2015

FUSION SKIMMER WEIR (PAGE 115)

Introducing Fusion: The CMP 100-200 square foot front access weir system. Add style to any hot tub while providing high flow and skimming functionality with a modern auto-inspired design. User friendly and easy to install, the new Fusion weir will add excitement to any hot tub design composition.

TWO-TONE DESIGN

Multiple component design allows weir part colors to be adjusted to match or complement existing parts such as jets and control handles.

AUTO-INSPIRED DETAILS

The new Fusion weir was inspired by design trends being seen in many of the world's most revered sports car designs.

AQUA EFFECTS STREAM MINI

The Aqua Effects Stream Mini is a new space saving pop up feature. Laminar style flow and beautiful LED colors create natural sounds and a soothing experience.

CRYSTAL-CLEAR OR DIFFUSED LED LIGHTING

A VARIETY OF AVAILABLE COLORS AND TEXTURES

SQR™ SYSTEM

YOU DON'T HAVE TO SETTLE
FOR COMPONENT HEAVY, TIME
CONSUMING, DETAIL ORIENTED
INSTALLATION.

YOU CAN MAKE THE SWITCH TO
A TOTAL SYSTEM THAT IS
SIMPLE, QUICK & RELIABLE.

FORWARD THINKING ENGINEERING

The SQR system applies basic laws of physics to create a superior seal, while addressing the issues created by typical torque compression systems. The patent pending jet body design used with the patented grommet gasket is the most cost effective way to install a spa jet.

Unlike typical jet systems where two people are required to install a jet, SQR can be installed by a single person. Labor cost and time is immediately cut in half.

SQR is a revolution in thinking that provides the reliability required in the modern hot tub manufacturing environment.

FEWER TOOLS REQUIRED

No expensive sealants, no torque wrench and no backside surface grinding.

FEWER COMPONENTS

A single SQR grommet replaces all other gaskets, nuts, and compensation rings.

A SUPERIOR SEAL

Fewer chances for errors translates into a more reliable jet installation.

SQR™ SYSTEM

BUILDING THE TOTAL SQR SPA SYSTEM

Our goal is to provide complete programs that can transform your spa design process. The SQR system is expanding in 2015 to include even more CMP spa components.

Now there are increasing opportunities to take advantage of the superior SQR system, reducing time and tools for install and improving the seal quality across your entire hot tub design.

NEW SQR ITEMS INCLUDE:

LED Laminars
Twist-Loc Cluster Jets
LED Spot Lights
3" and 5" Spa Lights
Skimmers and Filters

LED LAMINAR

LED SPOT LIGHTS

AIR INJECTOR

CLUSTER JETS

SPA LIGHTS

SQR CONTROLS

SQR system controls are a brand new option from CMP. Not only do these controls offer the simple and quick reliability of SQR, the unique design opens up completely new options for LED control lighting design.

UNIQUE SQR CONTROL FEATURES

Customizable Decorative Accent

SQR Gasket Simplifies Installation & Doubles as the Light Emitter

Soft, Even Lighting with No Hot Spots

ABOUT CMP QUICK-SHIP

CMP QUICK-SHIP PRODUCTS ARE OUR MOST POPULAR EVERYDAY STOCK ITEMS

The CMP Quick-Ship Program is supported by two manufacturing facilities and four international strategic distribution centers & partners. With hundreds of Quick-Ship products to choose from, we have made it easier for you to get our most popular SKU's with almost no lead time. Each CMP distribution center stocks a wide selection of products that can be shipped within 24 to 48 hours. At your request, in stock CMP products can even ship on the same day, every day.

THE QUICK-SHIP ICON REPRESENTS OUR PROMISE TO GUARANTEE THE HIGHEST LEVEL OF SUPPORT AND RESPONSE TIME IN THE WATER PRODUCTS INDUSTRY.

Throughout the 2015 Spa Products Catalog, look for the Quick-Ship icon to find items that are part of the CMP Quick-Ship program.

OUR MOST POPULAR EVERYDAY STOCK ITEMS

FOR DETAILS, SEE PAGE 14

SPECTRUM™

Spectrum is a complete jet system from CMP, created to build flexible designs and offer nearly unlimited colors. The platform-based flange requires minimal tooling for a new jet face design. Combined with the matching handles, Spectrum jets dramatically upgrade your spa interior designs.

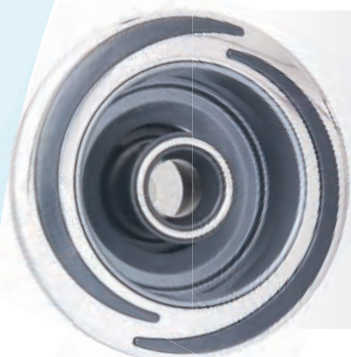

A COMPLETE PLATFORM FOR FLEXIBLE DESIGNS

BEAUTIFUL ARRAY OF STOCK OPTIONS FOR A CUSTOM LOOK

MINIMAL TOOLING FOR REDUCED CUSTOM DESIGN COSTS

SPECTRUM™ HALO

SPECTRUM: HALO is the stock Spectrum design program offering Quick-Ship availability. A variety of designs gives you tiered price options to meet all of your spa design objectives.

STAINLESS STEEL

The original Spectrum Jet, and our most popular style. Stock options include Graphite Gray Halo and eyeball, as well as clear LED-ready eyeball options.

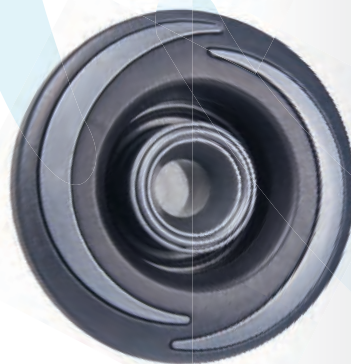

The LED-ready option jets feature CMP clear jet bodies with the patented LED clip system. This system allows for easier LED installation and better light distribution.

ACCENT STAINLESS

An inverse variation on the popular stainless steel jet. The high-polish stainless steel Halo Accent contrasts with the industry first radial texture flange.

Experience CMP innovation with this design. Standard Quick-Ship options are Graphite Gray flange and Silver eyeball, with stainless steel Halo Accent. Accent SS designs are available in 2"-6" sizes in all nozzle variations including bearing-less styles.

ACCENT DUO-TONE

The economic Spectrum jet program that can add excitement and color to every hot tub design. The combination of color with the radial texture flange brings high-end design within the reach of every hot tub price range.

The standard Quick-Ship option for Halo Duo-tone is a Graphite Gray flange with Silver Halo and matching silver eyeball. All Spectrum Duo-Tone jets are available in 2"-6" sizes in all nozzle variations including bearing-less styles.

HOW THE SPECTRUM SYSTEM WORKS

A. ESCUTCHEON

High polished stainless steel design that provides the perfect fit and finish for the design insert.

B. DESIGN INSERT

Customize the Halo insert with stock or your choice of custom color.

C. NOZZLE RING

Directional and Rotational nozzles are available with a stainless steel ring, or in plastic for a surprising touch of color.

D. NOZZLE/EYEBALL

Eyeballs are available in clear for LED lighting, or in a variety of plastic colors to complement the overall design.

E. FLANGE

The Spectrum flange is another component that can be molded in an color to create a completely unique design.

DESIGNED TO BE CUSTOMIZED

While the Halo design itself has nearly endless options, the heart of Spectrum lies in the design insert system. With a maximum of two manufacturing tools required, you can completely change the look and feel of your jet design.

INNOVATION THROUGH PLATFORM THINKING

The Spectrum jet system was designed to offer spa OEM's an effective and easy-to-use platform for jet development. This platform-centric thinking keeps your tooling costs low, and allows new designs to be brought to market quickly. Using variations of form, color, and texture, the Spectrum platform is as limitless as your imagination.

SPECTRUM™ ACCENT & DUO-TONE

A. DESIGN INSERT

The Halo design insert can be produced in your choice of molded color or high polished stainless steel.

B. NOZZLE RING

Just as with Spectrum Stainless, the nozzle ring can be matched to the design insert, or molded in a contrasting color for your design.

C. NOZZLE/EYEBALL

Accent Stainless & Accent Duo-Tone are available in every nozzle style. As with all CMP jets, nozzles can be plastic or clear for LED.

D. FLANGE

The CMP radial flange texture elevates the entire look of these Spectrum jets. Coordinate and contrast your color choice with the design insert for the perfect look.

INNOVATION THROUGH PLATFORM THINKING

Accent Stainless and Accent Duo-Tone variations provide even more choices for spa OEMs. The Halo design elements and nozzle rings can be emphasized using color and material to create a unique look and feel that complements any hot tub composition. The design variations also provide spa manufacturers with a variety of price points that do not limit design or aesthetics.

SPECTRUM ACCENT

HIGH-POLISH STAINLESS
STEEL HALO DESIGN

THE INDUSTRY'S FIRST RADIAL
TEXTURE FLANGE

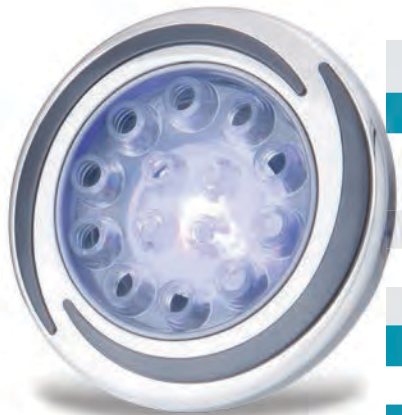

The precise radial etching of the Spectrum Accent flange creates a luxurious high end appearance. This break from traditional "dot pattern" textures creates an innovative flange look & feel.

SPECTRUM™ JETS | TWIST-LOC CLUSTER JETS

NEW

EXCLUSIVE CLUSTER JET DESIGN

READY FOR LED LIGHTING

The new Twist-Loc Cluster Jets are designed for easier installation. Also, the single-piece face design has a cleaner installed appearance.

As part of the CMP total spa design program these new cluster jets are available in classic or SQR styles. The clear Twist-Loc cluster jets can be lit by utilizing the patented CMP LED clip. These are the first true cluster style jets capable of LED accent lighting.

PRODUCT FEATURES

- Standard or LED-Ready Jets
- Available in SQR Body Style
- Spectrum Halo Jet Face Design

PRO-LOC™ JET SYSTEM

A NEW TWIST ON JET PERFORMANCE

PATENT-PENDING LOCKING SYSTEM

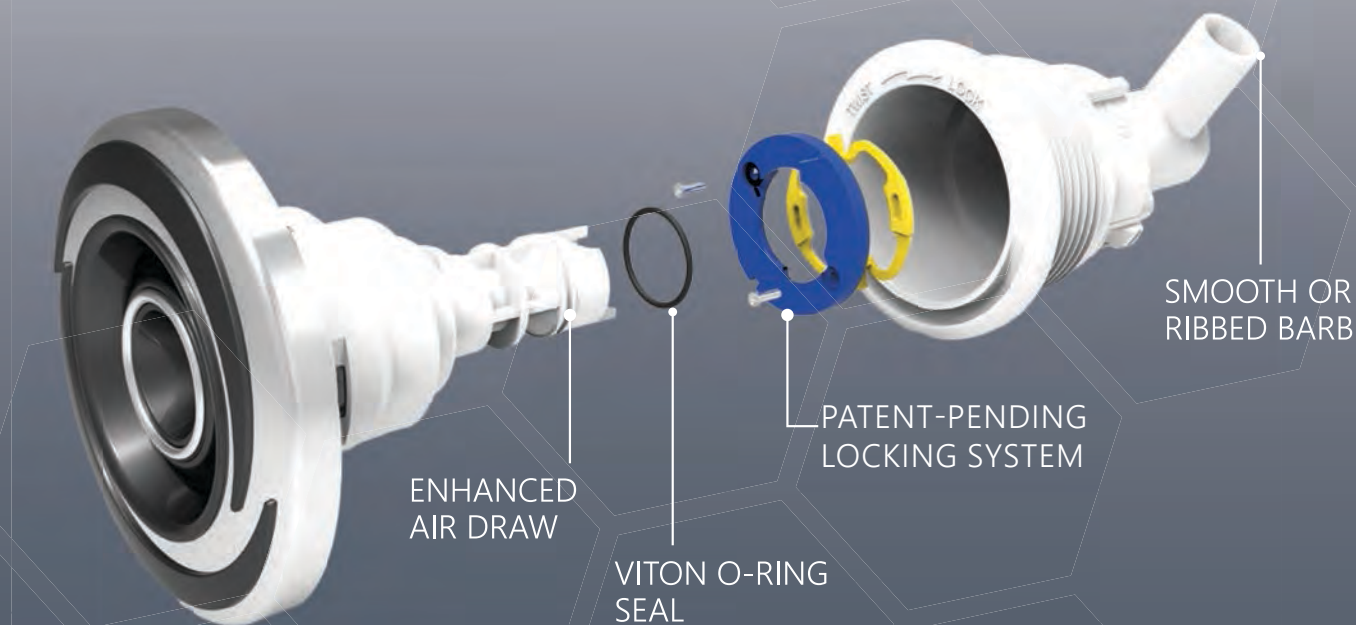

The innovative Pro-Loc mechanism ensures positive engagement between insert and body for optimal performance. The CMP Pro-Loc design also allows for easy installation and removal of jet inserts.

HIGH PERFORMANCE POLYPROPYLENE DIFFUSER

The polypropylene diffuser design is highly chemical resistant. The Pro-Loc attachment design also improves insert strength and durability.

VITON O-RING SEAL

All Pro-Loc jets feature a Viton o-ring that improves vacuum and air draw by as much as 46% when compared to standard style bodies. The o-ring seal also enhances the rotational feel of the jet insert.

SQR BODY & GROMMET ARE SOLD SEPARATELY

A SOFT & ELEGANT JET DESIGN

The Wave Jet Collection features a subtle, modern "wave" design that complements without shouting. The low profile flange height adds to this clean installed appearance.

Wave jets are available in standard or clear LED eyeball designs. The Stainless Steel jets utilize high-polish 304 stainless steel that is offset by the graphite gray outside edge.

A SPORT-INSPIRED JET FACE DESIGN

Crown jets have a sporty style that immediately grab your attention. Not only for looks, the design creates an improved grip that promotes interchangeability between different jets.

The bright stainless steel creates a fun contrast with the graphite gray. Be sure to ask your CMP spa rep about the custom Black/Stainless color combination. With a great choice of color and texture combinations, Crown jets from CMP are designed to make an impression.

SPA JET QUICK REFERENCE

FIELD IDENTIFY PRO-LOC™ VS TYPHOON™

- CMP manufactures two jet insert and body systems, *Pro-Loc* & *Typhoon Advanced*
- **These two systems are not interchangeable.** Never try to force a jet to fit if you are unsure of the fit.
- Use the guidelines below to identify each style. Some variations may occur, always contact the OEM if possible to confirm your jet selection.

PRO-LOC SYSTEM

- A. White Locking Ring in Jet Body*
- B. O-ring on Jet Shaft**
- C. Rigid Locking Tabs on Jet Insert
- D. Installs by Pressing & Turning to Lock

TYPHOON ADVANCED SYSTEM

- A. Black OR Gray Snap-Clip Ring in Jet Body*
- B. *NO O-ring* on Jet Shaft**
- C. Installs by Pressing & Snapping into Place
- D. Flexible Clips on Jet Insert

*Does not apply to 200 Series Jets

**It is possible the o-ring could be broken or removed. Always check other indicators to confirm.

TYPHOON ADVANCED JET SYSTEM

TYPHOON ADVANCED™

THE ORIGINAL CMP JET SYSTEM, NOW EVEN BETTER THAN BEFORE

RELIABLE LOCKING SYSTEM

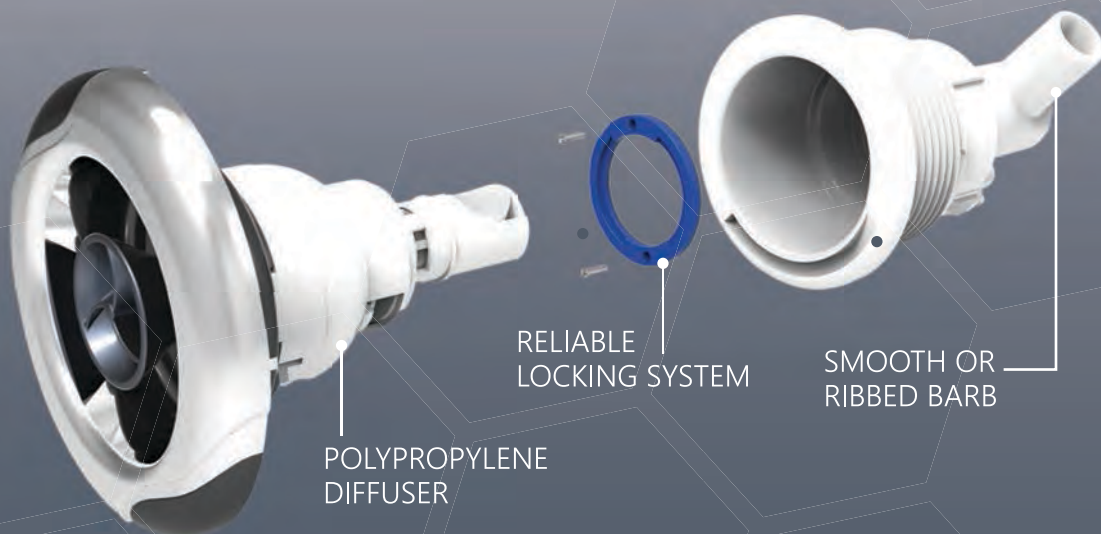

Typhoon Advanced utilizes the industry proven click-lock system. Years of use in the hot tub industry have made this system trustworthy and reliable.

HIGH PERFORMANCE POLYPROPYLENE DIFFUSER

All CMP jets are transitioning to an upgraded polypropylene diffuser. Now every CMP customer can benefit from high chemical resistance and increased strength.

AVAILABLE IN ALL STANDARD STYLES

Typhoon is the standard and fully stocked body style for Wave, Crown, and Diamond collection jets. Contact your CMP representative for more information on Typhoon Advanced jets.

TITANIUM & METALLIC BRONZE

NEW WARM COLOR COMBINATIONS.

NEW OPPORTUNITIES FOR FRESH
HOT TUB INTERIOR DESIGN.

A soft leather chair; a dramatic sunset; an early cup of coffee. These tranquil moments inspire the warm tone spa interiors that are the popular choice in today's market. Titanium and Metallic Bronze are colors that have been crafted by CMP designers to complement the wide variety of warm tone acrylic shells.

This is not just a new style, this is a *precise color palette*. Titanium & Metallic Bronze work together, creating a modern accent with metallic overtones. Tell a better design story with the next generation of hot tub colors and textures.

aqua effects™

A graphic element consisting of several thin, curved lines in blue, green, and orange, with small circles of the same colors scattered along them, resembling a stylized water splash or a molecular structure.

EXPERIENCE LIQUID COLOR

Aqua Effects water features from CMP create a nature-inspired look and feel. Gently cascading water flumes mimic the sounds of nature and add ambiance to your designs.

FAST HOLE SAW INSTALLATION

SMALL FOOTPRINT

"POP-UP" AND FIXED WATER FEATURES

INNOVATIVE, PATENTED DESIGNS

The Aqua Effects collection of LED-Ready water features will add liquid color and excitement to any hot tub design.

POP-UP LED WATER FEATURES

Choose from three different water features, including the new "Mini Stream" laminar style fountain.

SMALL FOOTPRINT

FAST HOLE SAW INSTALLATION

CLEAR OR DIFFUSED LIGHTING

Aqua Effects pop-up water features from CMP add ambience and a little fun to your spa top side designs.

WATERFALLS

CRYSTAL FALLS

A dramatic, powerful hot tub water feature, available with a subtle LED accent. Choose Crystal Falls for a simple installation and a clean installed appearance.

PRODUCT FEATURES

- Two-Hole Installation
- Adapters Fit LED Bulb (sold separately)
- Custom Colors Available

COLOR CASCADE

LED light glows through the topside pattern of the waterfall as ribbons of light fall from the sheer waterfall. For a show-stopping LED feature, Color Cascade is also available in clear for a glowing, ambient light effect.

PRODUCT FEATURES

- Two-Hole Installation
- Adapters Fit LED Bulb (sold separately)
- 1/2" Slip & 3/4" RB Adapters Available

LED COLOR CRYSTAL

The Aqua Effects™ Color Crystal is an industry unique water feature. The Color Crystal spins freely in the jet base, while allowing the LED light to pass through the glass ball. By combining dynamic light effects and soft water flow, this product adds exciting ambiance to any hot tub design.

PRODUCT FEATURES

- Fast Hole Saw Installation
- Small Topside Footprint
- Exciting, Unique Design

2-5/16" Hole Size
3/8" Water Line Required

UPDATED FOR 2015

MULTIPLE UNIT INSTALLATION: Now install two or more color crystals inline together.
IMPROVED SPINNING ACTION: New refined design for even smoother, consistent flow and spin.

OPTIX™

EMOTIONAL LED LIGHTING

A complete, cohesive LED program that is compatible with systems from every major LED supplier. Our focus is on thoughtful designs that are easy to install for both interior and exterior lighting. Optix includes platform-driven designs that can be customized quickly and with minimal tooling costs.

INNOVATIVE, UNIQUE, CO-MOLDED DESIGNS

STAINLESS STEEL OPTIONS

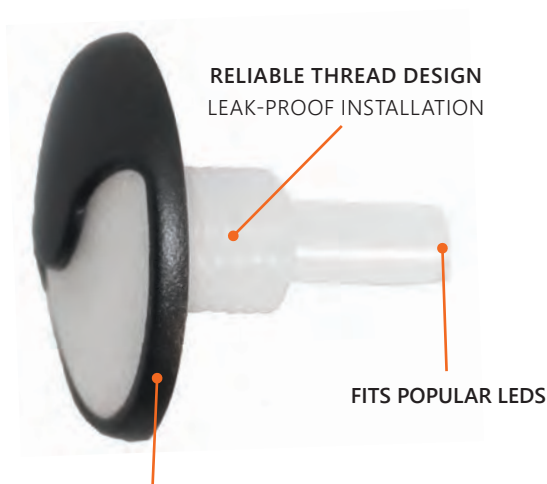

CLEAR OR DIFFUSED POLYCARBONATE LENSES

OTX spot lights create a burst of intrigue and style. Optix LED fittings can be color matched to jets and other components. The unique hooded design allows for applications above the water line without creating a harsh glare.

PRODUCT FEATURES

- PATENT PENDING
- Interior or Exterior, Above or Below the Waterline
- Designed to Soften Glare or Hot Spots
- Fits All Popular LED Lights
- Includes Nut & Gasket

CO-MOLDED SINGLE PIECE DESIGN
FEWER COMPONENTS
NO GLUE LINES

DECO LED CUPHOLDERS

The Patent-Pending CMP Deco Cupholder is the most stylish LED cupholder on the market. The customizable insert design is protected by being installed *under* the cupholder lens.

PRODUCT FEATURES

- Platform-based Design
- Customize the Accent Ring to Coordinate with Other Spa Components
- Survives in the "Gas Zone"
- No Glare or Bright Hot Spots

2-5/8" Hole Size
Buttress Thread

DESIGNED FOR STYLE AND FUNCTION

The CMP Deco Cupholder is the result of platform-based innovation. Not only is this the most sophisticated cupholder design available, it is part of the complete CMP Spa design platform.

LITHO DESIGN SERIES

Spa lighting should be more than functional, *it should also have style*. That philosophy is central to the Optix brand. CMP Engineering and Design is introducing a brand new series and concept in decorative spa accent lighting. The Litho Series features precision laser-designed patterns, simple installation and multiple dramatic accent lighting options. Add to exterior spa corners and panels, install alone or in pairs. This exciting concept in lighting is coming later in 2015. Contact your CMP Spa Products rep for more details.

PRODUCT FEATURES

- Single or Multiple LED Performance
- Customizable Design Pattern
- Clip Driven Installation, No Screws Required
- Exterior Accent Lighting

COMING IN 2015

LED SPOT FITTINGS

- Crystal Clear Material for Vibrant Lighting
- Frosted Option for Softer, Even Light Distribution

FLOATING VANE WEIR FILTER

The CMP Floating Vane Weir Skim filter is an improvement on an essential part of spa design. The floating vane weir ensures consistent flow through the skimmer, even as the water level rises and falls. Clean up is easy with a twist-lock vane that removes quickly to access the built in skimmer basket.

PRODUCT FEATURES

- Floating Vane Weir Adjusts with the Water Level
- Twist-Lock Vane Weir
- Lid is Customizable with Your Logo

2" Inlet/Outlet
6-7/8" Hole Size

FILTER ELEMENT CHART PAGE 118 (ELEMENTS SOLD SEPARATELY)

FLOATING VANE WEIR FILTER

A BETTER SPA SKIM FILTER, BY DESIGN

FLOATING WEIR

Adjusts with the water level to ensure adequate surface water skimming.

TWIST-LOCK VANE

Just a simple twist removes the vane weir and exposes the debris basket below.

BUILT IN BASKET

The basket is conveniently located, making debris removal fast and easy.

SAFE-SHIP CLIP

The floating weir remains locked in during shipment and delivery. Unlike other floating skimmers, this does not require any complicated modification of the skimmer after delivery and installation. Simply remove and discard the bright yellow clip and the spa is ready to use.

ELITE FILTER

PRODUCT FEATURES

- Safety Enhancing Flange
- Unibody Construction
- Elite Filter with Floating Weir Adjusts with the Water Level
- Vane Weir Design Option

3-STEP FLUSH MOUNT DRAIN VALVE

Draining a hot tub just got a whole lot easier. Featuring a fast 3-Step operation, this drain easily installs with a standard hole saw. The double-seal protection ensures against leaks. The flush mount design and LED ready body create a clean and attractive installed appearance on any hot tub.

PRODUCT FEATURES

- Double Seal Protection
- Easy Hole-Saw Installation
- User Friendly Three-Step Operation
- LED-Ready for Back-lighting

3/4" Smooth Barb
2" Hole Size

1. PULL OUT

2. REMOVE CAP

3. ATTACH HOSE & TWIST

LOCKING SLICE VALVES

A complete line of slice valves in a variety of configurations for pool and spa applications. CMP slice valves are assembled as one complete unit with 100% shut-off capabilities. These are the best line of slice valves for every installation.

PRODUCT FEATURES

- 100% Shut-Off
- Lockable in Open Position
- Includes Press-Fit Valve Lock to Ensure a Constant Full Flow Open Position

ORDERING GUIDE

*All slice valves are white unless otherwise noted

SPECIALTY REPAIR FITTINGS

CMP is committed to innovative solutions that make the job of the spa professional easier. CMP Pro Tools repair fittings are the most versatile and effective repair fittings in the industry.

CLIP-ON PIPE SEAL

Leaky joints are a thing of the past! CMP Clip-On Pipe Seals stop leaks at glue joints for schedule 40 fittings, couplings, elbows, and more. CMP Clip-On Pipe Seals are more professional and more effective.

PRODUCT FEATURES

- Snaps Into Place over Leaking Joints
- One-Piece Repair Fitting Design
- Complete set of sizes from 3/4" to 2-1/2"

INSTALLATION GUIDE

1. Examine the area of the leak on the socket. Make sure there are no raised letters or bumps on the fitting. They will have to be sanded off to use the CMP Clip-On Pipe Seal.
2. Liberally apply glue to the area of the leak and onto the Clip-On Seal. **DON'T BE SHY WITH THE GLUE.**
3. Choose the proper sized Clip-On Seal and snap over the leaking area.

**NO MORE
MESSY REPAIRS**

NO CUTTING, NO MEASURING. . . FAST & SIMPLE

PIPE EXTENDERS

PRODUCT FEATURES

- Small End Fits Inside PVC Pipe
- Large End is Equivalent to the Pipe Size

ORDERING GUIDE

CMP P/N	DESCRIPTION	BOX QTY
PIPE EXTENDERS		
21181-750-000	3/4" PIPE EXTENSION	750
21181-100-000	1" PIPE EXTENSION	100
21181-150-000	1.5" PIPE EXTENSION	100/25
21181-200-000	2" PIPE EXTENSION	100
21181-250-000	2.5" PIPE EXTENSION	60
21181-300-000	3" PIPE EXTENSION	25
21181-400-000	4" PIPE EXTENSION	20

INSIDE COUPLERS

PRODUCT FEATURES

- Both Ends Fit Inside the PVC Pipe
- Cleaner Appearance than Outside Couplers

ORDERING GUIDE

CMP P/N	DESCRIPTION	BOX QTY
INSIDE COUPLERS		
21183-100-000	1" INSIDE COUPLER	1000
21183-150-000	1.5" INSIDE COUPLER	200
21183-200-000	2" INSIDER COUPLER	200

CMP pipe extenders and inside couplers can be used for a very simple repair while leaving a very clean final appearance. Pipe extenders and couplers fit inside the PVC pipe, making them a great solution for when slight flow loss is not an issue.

FITTING EXTENDERS

CMP fitting extenders greatly simplify spa repair and service. Reduce the amount of cut and wasted PVC pipe. Instead use a fitting extender on existing plumbing. A far better solution than using slip fittings.

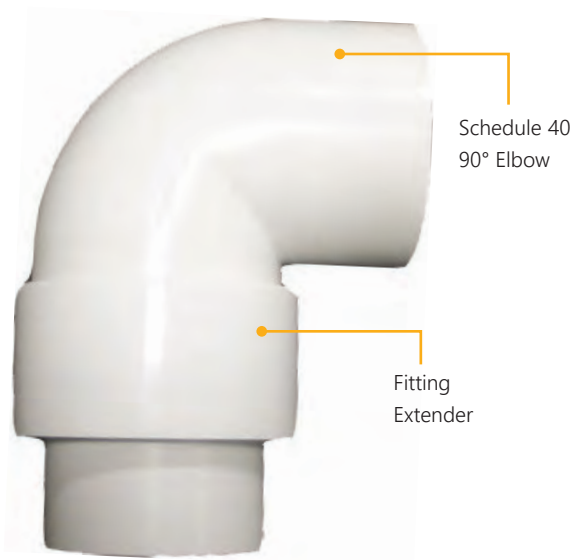

Continuing our commitment to offer the products that the professional really needs, CMP is the only manufacturer offering a true 2" socket fitting extender.

PRODUCT FEATURES

- A More Professional Repair
- No Loss of Flow
- CMP Exclusive True 2" Socket Extender

INSTALLATION GUIDE

1. Make sure there are no raised letters or bumps on the fitting. If so, they may need to be sanded off prior to installation.
2. Try the fitting extender over the fitting without glue first to make sure it will fit. If the extender fits too tight, the inside of the extender may be sanded to fit. Once you have confirmed a proper fit, glue the extender to the fitting.
3. When using with 2" pipe glue a coupler or 90 elbow to the small end. The larger end fits over Schedule 40 fittings.

TERMS & CONDITIONS

- CONTACT** For written communication, including payment of invoices, please send to:
Custom Molded Products, LLC
36 Herring Road
Newnan, GA 30265
Phone: 770-632-7112 Fax: 770-632-7115
- ORDERING** Customers should place orders directly with Custom Molded Products at the phone or fax numbers presented above. To ensure prompt and proper shipment, please order by using complete part numbers and descriptions. All telephone orders must be followed up with a written confirmation purchase order.
Our catalog and price list contain box/bag quantities for most parts. Currently CMP does not apply a surcharge for broken carton orders. Please help us maintain this policy by ordering in full carton quantities.
Thank you for your cooperation!
- TERMS** Payment for products is C.O.D. Net terms may be established upon completion of a satisfactory credit check. Past due accounts will be C.O.D. Customers with unpaid balances will be considered delinquent and will be subject to a service charge of 1-1/2% per month on the past due amount.
- FREIGHT** Pricing and terms are FOB–Newnan, Georgia unless otherwise specified. Freight charges are Pre-Pay and Add unless otherwise specified. All claims for lost or damaged freight must be made by the purchaser and directly to the freight carrier within the carrier's established time limit.
- INVOICES** Please pay by invoice per the terms on the sales invoice. There will be a \$20.00 minimum service charge on all NSF or returned checks.
- BILLING
ERRORS** Appropriate debits or credits will be applied to accounts or invoices that are in error. Please contact Custom Molded Products if you have questions regarding your invoice or if you think your account is in error.
- RETURNED
GOODS** Merchandise will not be accepted for return without a Returned Materials Authorization (RMA) number issued by Custom Molded Products, which should be marked on all returned cartons. Returned shipments not having prior authorization will be refused. All returned merchandise must be new and unused with the exception of defective goods. A 25% restocking charge will be applied against any credit issued for salable merchandise. All goods must be returned freight pre-paid within 30 days after receipt of shipment.
- NOTICE** Custom Molded Products reserves the right to change at any time and without notice colors, materials, specifications, part numbers and prices to any products appearing in this publication.

CMP LIMITED WARRANTY

Custom Molded Products, LLC takes great pride in the quality products that it manufactures. The company maintains high standards for the materials and workmanship that it invests in its products. Accordingly, Custom Molded Products makes this express Limited Warranty with respect to products manufactured solely by Custom Molded Products, LLC, as follows:

Custom Molded Products warrants its products to be free of defects in material and workmanship for a period of two (2) years from the date of original purchase of the Custom Molded Products product. This Limited Warranty will be applicable only if the product manufactured by Custom Molded Products is the sole and exclusive cause of a defect which is covered by this Limited Warranty. Your sole and exclusive remedy against Custom Molded Products, LLC, arising from the purchase or use of a product manufactured by Custom Molded Products, LLC is limited to the repair or supply of a replacement product in substitution of the product which is determined to be defective (after examination, verification and approval by Custom Molded Products, LLC) with a product of equivalent quality. All other compensation of whatever nature is hereby expressly excluded. This Limited Warranty begins on the date of first purchase of a product from Custom Molded Products, LLC

The Limited Warranty is extended to the party making the original purchase of products from Custom Molded Products, LLC and no warranty is made nor authorized to be made assignable on resale by the original purchaser of products from Custom Molded Products, LLC. The repair or replacement product issued by Custom Molded Products, LLC pursuant to this Limited Warranty shall be warranted for only the unexpired portion of the original Limited Warranty.

This Limited Warranty does not apply to component parts manufactured by others or for damage to products manufactured by Custom Molded Products, LLC if such damage is caused by component parts manufactured by others. For component products manufactured by others the warranty established by that respective manufacturer, if any, will be applicable.

ED WARRANTY DOES NOT COVER:

- Costs incurred in the shipment or cartage, removal and/or re-installation (including but not limited to labor costs) with respect to the replacement product made available by Custom Molded Products, LLC pursuant to this Limited Warranty.
- Damage or improper operation of a product governed by this Limited Warranty to the extent same is caused by customer abuse, misuse, negligence, or failure to follow installation or operation instructions.
- Use for which the product is not designed.
- Fire, explosion, weather conditions or natural disasters.
- Faulty or improper installation.
- Ordinary wear and tear.
- Damage caused by negligent or improper maintenance procedures and other causes not specified, by beyond the control of Custom Molded Products, LLC
- Improper packaging, repackaging or damage incurred in shipping.

In order for this Limited Warranty to be effective you must:

- Be the original purchaser of the product from Custom Molded Products, LLC
- Have not structurally modified, misused or misapplied the product manufactured by Custom Molded Products
- Have maintained the Custom Molded Products product in accordance with the instructions from Custom Molded Products, LLC or as described in maintenance materials provided by Custom Molded Products, LLC to you
- Have complied with all terms for the payment of the Custom Molded Products product
- Made your claim in writing to Custom Molded Products within the time provided and in accordance with the terms of this Limited Warranty.

CMP LIMITED WARRANTY

THERE ARE NO WARRANTIES APPLICABLE TO PRODUCTS MANUFACTURED BY CUSTOM MOLDED PRODUCTS EXCEPT AS EXPRESSLY STATED HEREIN AND THIS WARRANTY IS IN SUBSTITUTION FOR AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

UNDER NO CIRCUMSTANCES SHALL CUSTOM MOLDED PRODUCTS BE LIABLE FOR ANY LOSS OR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGE OR COSTS. CUSTOM MOLDED PRODUCTS SHALL NOT BE LIABLE FOR ANY LOSS OF USE, INCOME OR PROFIT, DAMAGE TO OTHER PROPERTY, ATTORNEY'S FEES OR THIRD PERSON CLAIMS NOT WITHSTANDING A PRIOR NOTICE TO THAT EFFECT FROM THE BUYER OR UNDER ANY OTHER CIRCUMSTANCES.

CUSTOM MOLDED PRODUCTS SHALL HAVE NO LIABILITY TO THE BUYER AND SHALL HAVE NO RESPONSIBILITY FOR THE COSTS OF LABOR, TRANSPORTATION OR OTHER COST INCURRED IN THE REMOVAL AND/OR INSTALLATION OF PRODUCTS MANUFACTURED BY CUSTOM MOLDED PRODUCTS COVERED BY THIS WARRANTY.

THE SOLE AND EXCLUSIVE REMEDY FOR CUSTOM MOLDED PRODUCTS' LIABILITY OF ANY KIND AND THE SOLE AND EXCLUSIVE REMEDY OF THE BUYER, WHETHER IN LAW OR IN EQUITY FOR A BREACH BY CUSTOM MOLDED PRODUCTS OF ANY AND ALL WARRANTIES SHALL BE LIMITED TO THE REPAIR OF, OR AT CUSTOM MOLDED PRODUCTS' OPTION, THE REPLACEMENT OF PRODUCTS MANUFACTURED BY CUSTOM MOLDED PRODUCTS WHICH ARE COVERED BY THIS WARRANTY.

This warranty is valid only in the United States of America.

TIME LIMIT ON COMMENCING LEGAL ACTION

It is agreed that you have 30 days from the accrual of a claim to inform CUSTOM MOLDED PRODUCTS, LLC by registered mail with acknowledgment of receipt. It is agreed that you have one year from the accrual of a claim to commence any legal action arising from the purchase of a product manufactured by CUSTOM MOLDED PRODUCTS, LLC

This Limited Warranty shall be governed by and construed in accordance with laws of the State of Georgia, except as to its principles of conflicts of laws, and CUSTOM MOLDED PRODUCTS, LLC and you irrevocably submit to the jurisdiction of the State of Georgia and the venue of Coweta County in any action brought by the parties hereto concerning this Limited Warranty or the performance by CUSTOM MOLDED PRODUCTS, LLC thereunder.

For communication related to replacement products or other issues respecting this Limited Warranty, please contact:

Custom Molded Products, LLC
36 Herring Road, Newnan, Georgia 30265
Phone: 770.632.7112 FAX: 770.632.7115

Custom Molded Products, LLC

announces that its production facility, Custom Molded Products, LLC, a wholly-owned subsidiary of CMP, has been assessed and registered by National Quality Assurance Ltd. against the provisions of
